**PLEASE CHECK & SIGN BOOKING CONDITIONS OVERLEAF**

Please note these are additional booking conditions that apply to Heritage Transport Holidays /Classic Coach Tours; please refer to our brochure for full terms and conditions for all tours.

## **Weight Restrictions**

### **Luggage**

Our vintage coaches were constructed with only a small luggage locker at the rear of the vehicle, therefore our luggage carrying capacity is very limited. Experience has shown that suitcases take up a lot of room, therefore soft 'holdall' bags are now **mandatory** on our Heritage Transport Holidays/Classic Coach Tours.

Please also note that any purchases made during your holiday must be housed within your existing luggage or the rack space within the coach saloon. (large or sharp items will not be carried).

### **Personal**

Our vintage coaches were constructed to much smaller dimensions than modern day touring coaches. Entrances are narrower, steps steeper and seating legroom varies from coach to coach. That said they can be exceedingly comfortable in the leisurely pace we strive to achieve with our tours. However our Classic Tours carry a personal body weight restriction of 20 stones. It is believed that anyone above this limit would not find enjoyment in the tour due to personal discomfort in a restricted environment and the design of the vehicles themselves is not compatible to this situation.

### **Limited Mobility**

The holidays in our brochure have been carefully selected to enable all our clients to enjoy themselves regardless of limited mobility or other handicap. Additionally many of the hotels will have lifts or ground floor rooms. However, we do recommend that you speak with ourselves before booking and it is important that you enter the word disabled in the Special Requests panel on the booking form. We will endeavour to minimise any discomfort and inconvenience, however we cannot make any guarantees.

### **Coaches**

Although it is our intension to use Classic Coaches on all Heritage Transport Holidays/Classic Coach Tours (unless otherwise stated), in the event of circumstances beyond our control where a classic vehicle became unavailable to work, we will take every step to supply another classic vehicle as a substitute. However in the unlikely event that it could not be substituted with a classic coach a modern coach would be used.
